NOTIFICATION OF FILMING

December 2019

Dear Business / Resident,

I am writing to advise you of forthcoming filming for a Netflix feature film titled 'The Princess Switch, Switched Again' which is the follow up to the hugely successful 'The Princess Switch' currently available to watch on Netflix.

The film is a family friendly Christmas movie starring Vanessa Hudgens and is set in a fictional country in which our lead character/s, a baker and a princess swap places.

With the support of the council and film office we are filming for a short period around Edinburgh, and on Saturday 4th January we are filming exterior and interior scenes at Mimis Bakehouse.

We have applied for a temporary traffic restriction order on the following streets in order to park close to set for preparation, filming and the strike of the location, for the filming day (Saturday 4th January 2020) we will have a stop and hold in place on the shore itself between Tolbooth Wynd and Shore Place.

The filming schedule has been arranged as follows:

Parking restrictions: excluding disabled bays

FRIDAY 3rd January 2020 from 0700 for Location Prep

TOLBOOTH WYND— All unrestricted parking from Henderson St to the play area

SATURDAY 4th January 2020 from 0600 – 2000 for Filming

TOLBOOTH WYND- All unrestricted parking from Henderson St to the play area.

HENDERSON STREET – All unrestricted parking from Tolbooth Wynd to Giles St.

COALHILL – All unrestricted Parking.

Stop/Go of traffic:

SATURDAY 4th January between 8am and 11am

SHORE – Between Tolbooth Wynd and Shore Place. there will be a series of short holds of traffic which will last no more than two minutes, traffic will be allowed to flow for significant periods of time between holds to avoid congestion.

May I thank you in advance for your help and assistance in the making of the film, we are looking forward to filming in the city and anticipate the project to be a huge success which could not be achieved without the help of residents and business.
