Why?

Cruden Homes (East) Ltd. has revealed proposals to redevelop land at 124 Salamander Street & 1-3 Salamander Yards.

PTO for further information

Our proposals are for the redevelopment of 124 Salamander Street and 1-3 Salamander Yards for residential use by Cruden Homes (East) Ltd.

The redevelopment will be on the site of the Edinburgh Carpet and Flooring Warehouse (pictured below), delivering approximately 99 new homes, with the added bonus of ground floor retail fronting onto Salamander Street.

The proposal will contribute to the creation of a mixed-used residential neighbourhood.

Due to the COVID-19 pandemic and in accordance with Scottish Government guidance, our website will host a live, online consultation event in place of the holding of public exhibitions which have been temporarily suspended.

Exhibition material, detailing the proposed development, will be uploaded on the website on Thursday 28th April at 10am.

Our development team will be available to answer questions through a dedicated chat system on the same day between 3:30pm and 7:30pm.

This will inform our planning application for the development of the site.

If you do not have online access, hard copies of exhibition materials can be accessed by contacting the details below.

Please note that comments are to Cruden Homes (East) Ltd. and are not representations to the planning authority. There will be an opportunity to make representations to the planning authority when an application for planning permission is submitted.
