

PUBLIC EXHIBITION

Vestas Offshore Wind Blades UK Ltd. are seeking the views of the public on their proposals for a proposed Manufacturing facility for offshore wind turbine blades, laydown area and all associated and ancillary development on land to the east of Imperial Dock, Port of Leith, Edinburgh

A first public exhibition will be held between 3pm to 7pm, Tuesday 6 August 2024 at Ocean Terminal (Ground Floor next to Costa Coffee), Ocean Drive, Leith, EH6 6JJ

Details of the proposal can be found at www.holderplanning.com

Should you be unable to access the proposals or feedback form or have any questions, please contact

HolderPlanning

lesley.mcgrath@holderplanning.co.uk, 07841 487916, 139 Comiston Road, Edinburgh EH10 5QN,
www.holderplanning.com

A second public event will take place in due course taking into account the feedback received at the first event.
